Veteran Job Fair

Tuesday, July 16th
4 PM - 7 PM

Filmore-Najon VFW • 38 Summer Street • Norton, MA 02766

We look forward to meeting Veterans interested in careers and sharing information about the many opportunities available at Gordon Food Service!

SALES

SALES AT GORDON FOOD SERVICE IS ABOUT BUILDING RELATIONSHIPS. Honestly. We set the bar high. At our family-operated company, we are empowered to take the long view in terms of what's best for our customers. We work harder, dig deeper, and never cut corners—never at our customers' expense.

Our sales teams become part of our customers' businesses, helping them to thrive. Our representatives are on the front lines, "doing food"—working directly with our customers to consult on menu development, business profitability, and food-safety training. We are at their side. And that involves trust.

WAREHOUSE

OUR WAREHOUSES ARE THE BACKBONE OF OUR OPERATION'S STABILITY AND SUCCESS.

We have helped our customers make money for our communities for more than 120 years. Lots of our employees have moved from the warehouse into sales, finance, skilled trades, transportation and leadership roles.

Our warehouse teams take pride in delivering seamless order processing and delivery to our customers through attentive, accurate product selection, labeling, and packing.

TRANSPORTATION

OUR CUSTOMERS GET A SMILE AND A THANK-YOU WITH EVERY DELIVERY. Valued. Appreciated. Empowered. As part of our transportation team, you may have a license number. But you are not a number. You are part of the family. You are encouraged to speak up, impact change, and grow upward and across our promote-from-within organization.

Whether this is your first driving job or even your last, we have rewarding opportunities for you. As our transportation teammates like to say, at Gordon Food Service you can, "Stay fit, make money, and enjoy being part of our customers' success."
